BP-MP SERIES

BP-MP SERIES
1000 / 5000

manufactured by

saqim
Hydrogen Generators - GIP™

**une nouvelle génération
d'électrolyseurs**

- autonome
- silencieux
- automatique
- sécurisé
- fiable

**a new generation
of electrolyzers**

- self contained
- silent
- fully automatic
- safe
- reliable

CE
certified

hydrogen

for meteorology and industry

BP-MP SERIES

1000 / 5000

spécifications

production d'hydrogène pur de 1 à 5 Nm³/h

pression variable de 1 à 10 bar

gestion du Système entièrement électronique

specifications

pure hydrogen production from 1 to 5 Nm³/h

adjustable pressure from 1 to 10 bar

system control fully electronic

1000 Kg/2500 Kg

manufactured by **sagim**
Hydrogen Generators GIP™
